

## 102.

G Am7 Em7 C B Am7 G  
 Daniel stood against the king of great old Babylon  
 Am7 B C B Am7 G  
 But he did not make that stand all upon his own  
 C G B7 Em7  
 With three companions at his side, an evil king they could defy -  
 G C Am7 D G  
 As companions, companions, companions in the Lord.

Chorus:

G D  
 Companions, companions, companions in the Lord  
 D7 G  
 Companions, companions, companions in the Lord  
 C G B7 Em7  
 Together is better, so let's get together more  
 G C Am7 D G  
 With companions, companions, companions in the Lord.

I have some friends who love the Lord with all of their heart  
 I have some friends who love the Lord, and I know who they are  
 The Lord gave all these friends to me so I and all my friends could be  
 Companions, companions, companions in the Lord.

## 103.

Chorus:

G C  
 Let's sing the song of Daniel  
 D G  
 And his companions three  
 D  
 They stood together for the Lord  
 D G - C - G  
 So they got the victory.

G C  
 1. Daniel was a small boy  
 D G  
 Who was taken by a king  
 C  
 That tried to make him forget the Lord  
 D G  
 And the songs he loved to sing.

2. The king would change their language  
 And even change their name  
 He tried to change the food they ate  
 So they would never be the same.

(chorus)

## 104.

C G C G  
 In God's image man was made,  
 C F G  
 He is a vessel to contain God;  
 C G C G  
 So to receive God as life,  
 C G C  
 Man before the tree of life, was placed.

Chorus:

C F  
 Full Salvation! Full Salvation!  
 C F G  
 I fully need God's full salvation.  
 C F  
 He's my Redeemer, He is my Savior;  
 C G C  
 Yes! I need God's full salvation.

God's enemy, Satan, came  
 As a sly serpent to seduce man;  
 So man took in Satan's lie,  
 Disobeyed God's word, fallen became.

This, man fell from God's desire,  
 Sinful in nature, practicing sin;  
 Separated, thus from God,  
 He is condemned to the lake of fire.

Deadened, man's spirit became,  
 Losing his function to contact God,  
 Cut off from the tree of life,  
 And to miss the New Jerusalem.

3. But Daniel purposed in his heart  
 To be faithful to the Lord  
 So he got with his companions  
 And they stood in one accord.
4. The Lord was really with them  
 As they stood up to that king  
 They all received the blessing  
 And once again they all would sing.

(Chorus)
